Larry McNeill is also retiring as Treasurer. We thank Larry for his service and look forward to his continued involvement in the society.

Danny Infantino, a nationally known classical guitarist and Seren Lyerly, a violinist and Moore County native will perform at the St. Andrews Dinner.

Danny Infantino is a guitarist of exceptional talent and sensitivity. Born and raised in New York City, he has performed extensively in such places as New York, Arizona, Bermuda, Connecticut, on cruise ships, and in North Carolina where he now resides. Danny holds a Master of Music degree in classical guitar performance from the University of South Carolina. His first solo recording, *Songs Without Words*, was released in 1993. He currently has eleven CD recordings, three that feature his solo guitar playing and arrangements. Danny's recorded music has been featured on national television and radio.

Danny Infantino

"Few musicians could so thoughtfully and seamlessly combine such diverse international works. Nowhere else on earth will you find the operatic melody 'O mio caro' by Puccini and two concertos by Vivaldi woven so eloquently together with the blues classic 'House of the Rising Sun,' the Brazilian bossa nova styled 'Danny's Bossa' and the Celtic classic 'Danny Boy!'"

David Carpenter, *PineStraw Magazine*.

Seren Lyerly is a native of Moore County. She graduated from Sandhills Community College last spring as a music major and has played the violin for twelve years.

Seren Lyerly

Danny and Seren will be performing a variety of Celtic tunes and songs at the St. Andrews Dinner on December 4, 2010. It will be a special program. Don't miss it!

PRESIDENT'S REMARKS CONTINUED:

off the board after 3 years of service. We thank them for their service and look forward to their continued involvement in our society.

GRANDFATHER GAMES:

The Blowing Rock Country Club & Grandfather Games dinner attracted our largest crowd ever. Many thanks to **Judge Bob Collier, Jr.** for arranging the club facilities and dinner. Also, many thanks to **John Ramsay** for arranging the entertainment and to his brother **George Ramsay** for his remarkable participation. American Idol is a second rate production compared to what went on at our dinner.

Jed McMillan and **Heyward Armstrong** handled the field arrangements at the games. They have done an outstanding job for the past several years. This can be a difficult, time consuming job. Everything went well, as usual, and we appreciate their dedication and effort.

DISTINGUISHED SERVICE QUACHS:

In July 2009, the Society's Board voted to recognize two (2) members who have provided extraordinary service to the Society. Recipients receive an engraved Quaich.

This year's recipients were **Bill Snyder** and **Bob Collier, Jr.** A Quaich was presented to each at our dinner. They join the previous recipients Jack McPhaul and Ted Taws in receiving this honor.

NEW COMMITTEE CHAIRS:

One of the St. Andrew's Society's primary functions is to provide **scholarship assistance** to North Carolina students who wish to study in Scotland and Scottish students who wish to study in North Carolina. **Alan Donaldson** has chaired this committee for at least 15 years. Thanks to Alan for his years of service. He is continuing on the committee as **Warner Hall** assumes the chairmanship.

New members are key to our existence. **Rob Collier III** has done an excellent job for several years as chairman of our Membership Committee. Rob is continuing to serve on the committee and also serving on the board. **Ken McArthur** is assuming the chairmanship of the committee. Ken has served the Society well in numerous capacities and is highly qualified to take over this important position. Thanks to Rob and Ken for their service on this committee.

SCOTLAND COUNTY GAMES:

The **Scotland County Highland Games** were held on the grounds of the John Blue Home and Historical Complex in Laurinburg, NC from Oct 1-3, 2010.

Dan and Sara Jane Pate, and **Bill and Anne Goodwin**, were exceptional hosts and arranged lunch fixins for over 30 Society members in attendance. The first annual Scotland County Highland Games last October was a huge success and this year was no exception! Barbara and I enjoyed seeing many of you there.

UPCOMING EVENTS:

I hope everyone will make a special effort to attend the **St. Andrew's Dinner** December 4, 2010 at the Mid-Pines Resort. **Don McKenzie** is chairing what is always a terrific event. We had a record attendance at the 2009 Dinner. Mark your calendars now! We have an exceptional program planned and I hope to see you there. More information will be forthcoming.

In closing, I thank the Society for the opportunity to serve as your President. I look forward to seeing each of you at what I am sure will be outstanding Society events.
